1963 GOVERNOR

VOL. 2

**CHARLES B. AYCOCK
HIGH SCHOOL**

PIKEVILLE, NORTH CAROLINA

FOREWORD

This year was basically the same as any high school year; we studied, had fun, experienced sad moments of trial and error. There were games and dances; voices were hoarse from Pep Rallies. There were brief moments of glory for some of us in sports, musical and dramatic productions. All shared the hopeless reality of examinations and deadlines, the semester grades, the noontime cafeteria rush. These impressions are only a few that were packed into this full year.

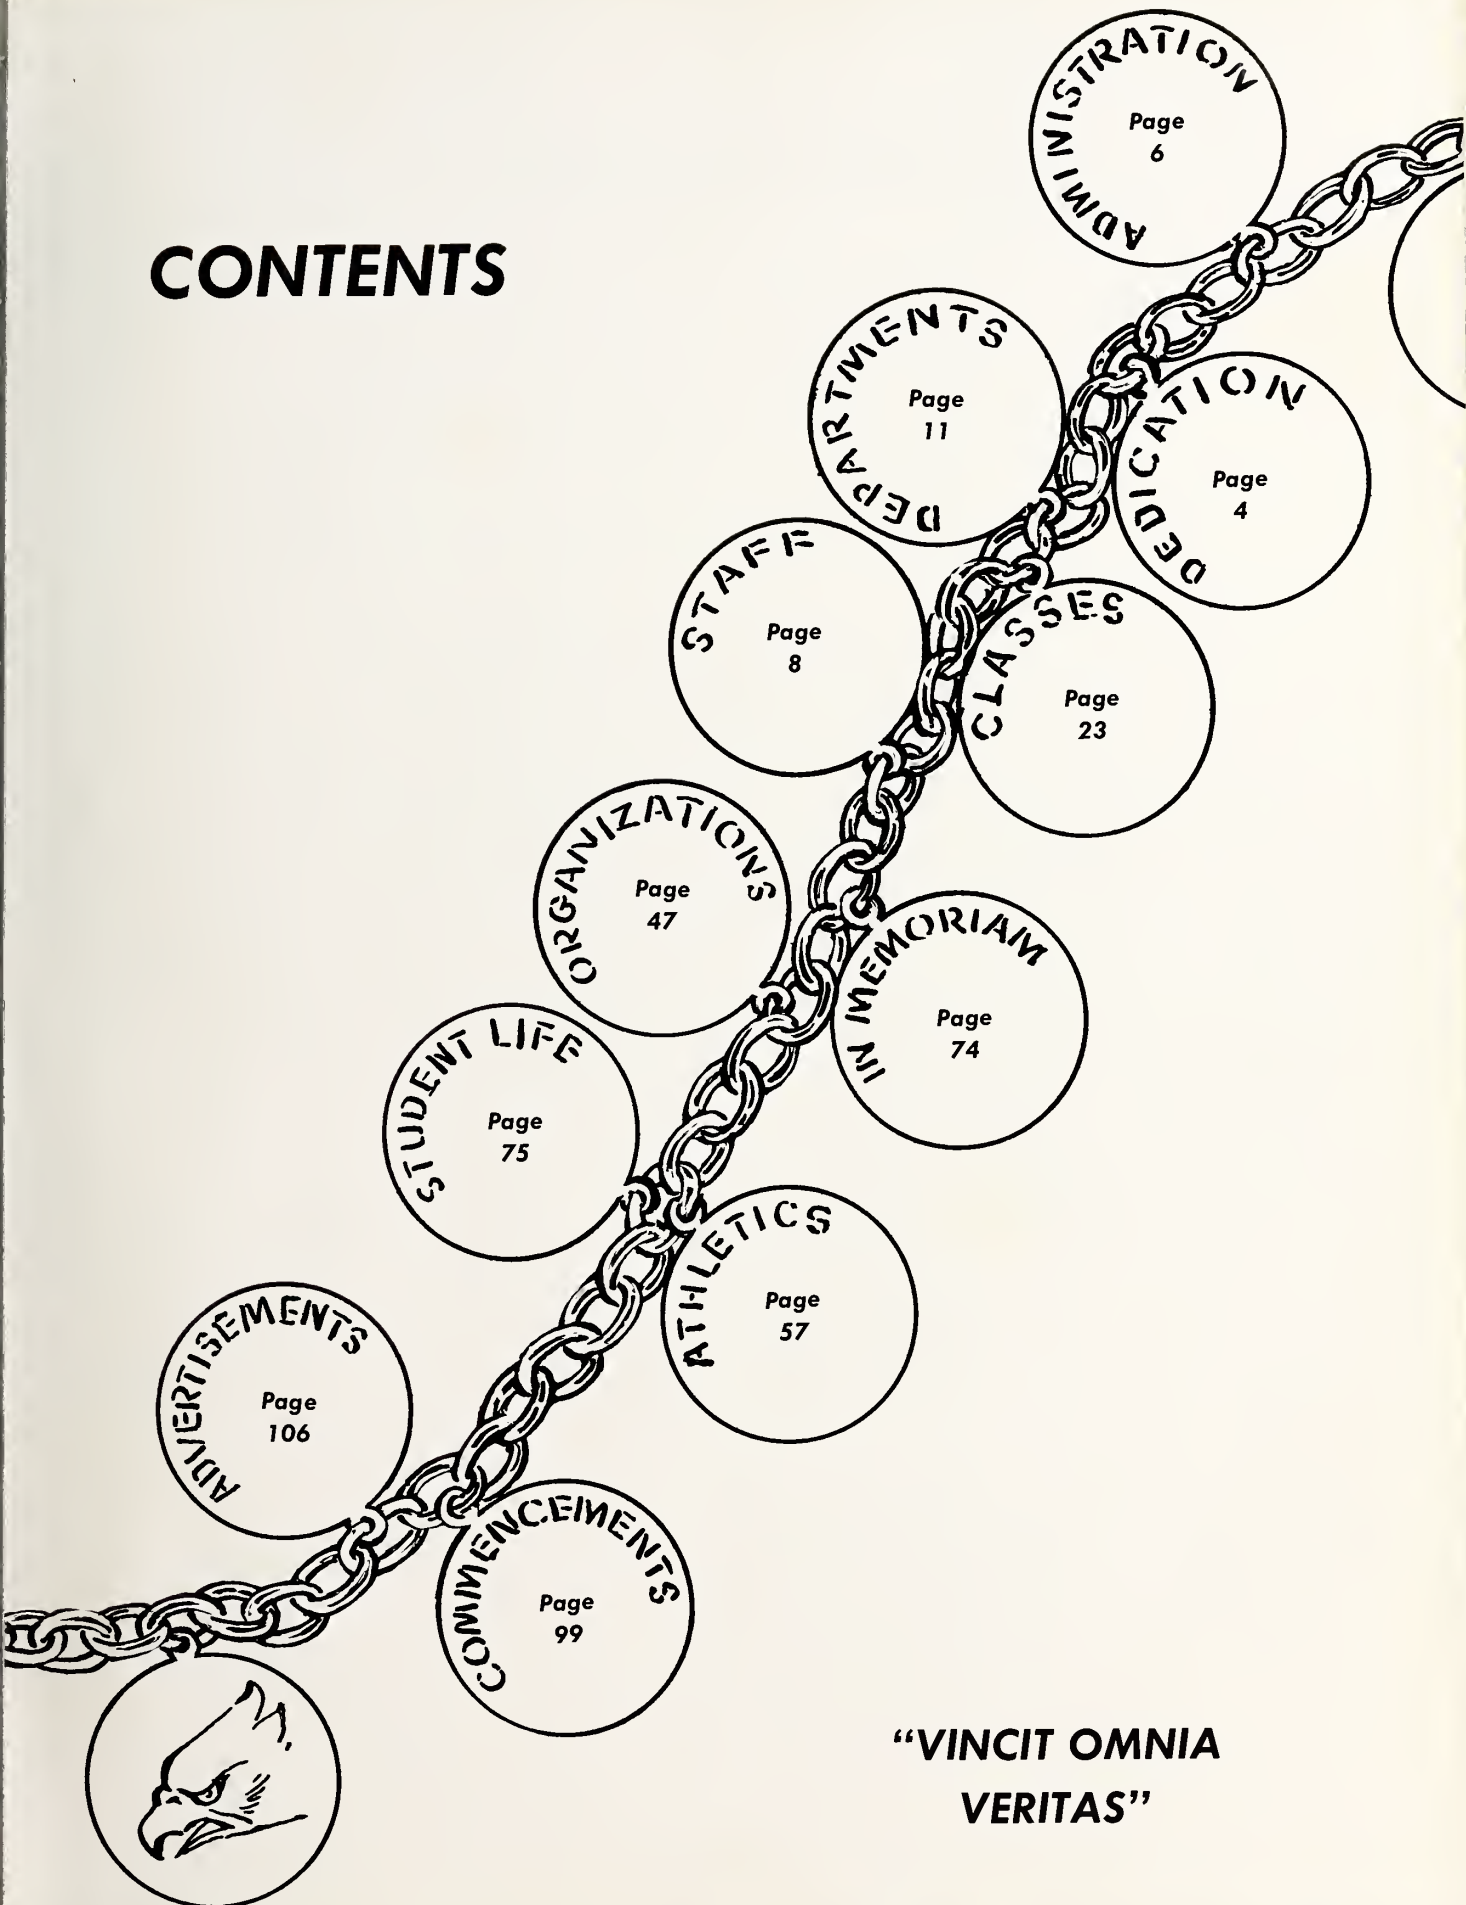

Credit for the production of this book goes to the loyal Governor Staff, who has strived to put into pictures and words a truly unforgettable year.

It is not today that you will appreciate the Governor. Tomorrow, when it is not easy to think back on 1963, we will treasure the memories this book has stored for us.

The following statement will always hold true:

“ 'Tis pleasant, sure, to see one's name in print.”

VERITAS"**

DEDICATION

We, the Governor staff of Charles B. Aycock, wish to express our gratitude to two people who have meant so much to our school and community through their generosity and support.

Realizing the inadequacy of any tribute we can pay them, we proudly dedicate this volume to Mrs. J. W. Rose and the late Dr. Rose, with deep appreciation for their wisdom and friendship.

CAMPUS

A mall of concrete and steel atop an inaccessible hill. This is Charles B. Aycock, but taking a closer look we see that the view gives us but a hint of its special meaning. Ask one of the teachers who toil here, a student who has begun his adult life here, an athlete who has known both victory and defeat for her glory and you will soon find that it is more. It is a fortress of spirituality, of knowledge, of love. It is our school. It is our life. It is our love.

I WOULD STILL

The faculty enjoy themselves.

WANT TO DO IT

THE CHARM OF A FRIENDLY TEACHER

Faculty members enjoy a variety of activities other than in the classroom. Ping-pong has become a favorite pastime for some of our male faculty members.

Mrs. Wilson's Junior English Classes enjoy the new issue of *Reader's Digest*.

This is really an Eng

while students work.

BONJOUR, LES FILLES, LES GARCONS

Foreign language is not so bad after all. Watch the contentment on the faces.

SCIENCE DEPARTMENT

Not only cell division but any scientific experiment can be a problem.

MOLECULES BUG BIOLOGY STUDENTS

Our future scientists!

Watch their faces!

Students in Mr. Joyner's physics lab enjoy their many activities.

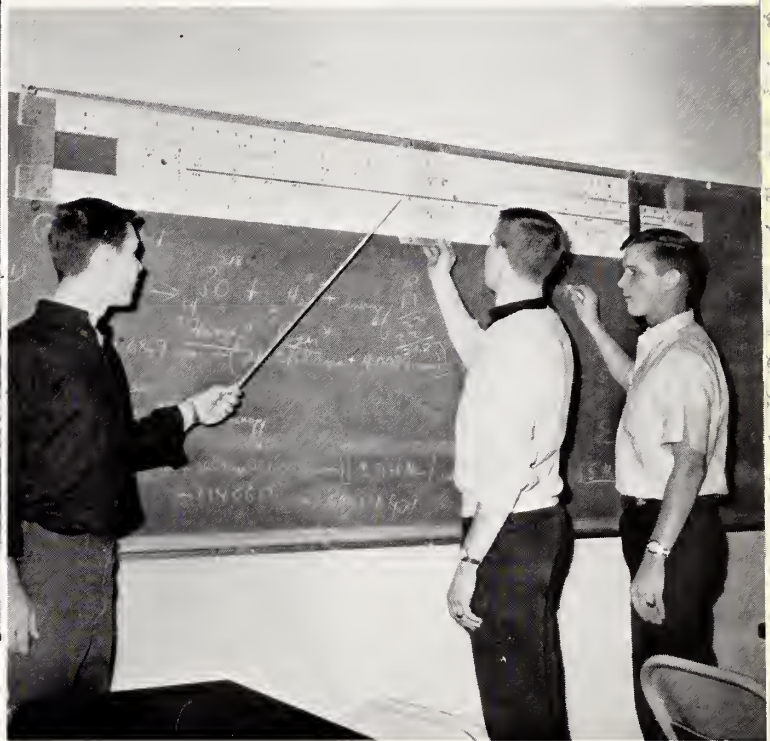

Who knows, Harry, Benton, Jimmy, Bert, Harold, Jerry, Cecil, Norman, Roger, and J.C. might be our first men on the moon.

MATH DEPARTMENT

WE ARE THE RULER OF THE "RULE."

It seems as if math is the farthest thing from our minds (poor Mr. Webber).

Harry Sasser demonstrates his ability.

OPERATING A SLIDE IS A SKILL

Mr. Joyner explains this math problem in the simplest of terms.

Mr. Fornecker gets ready for a busy day.

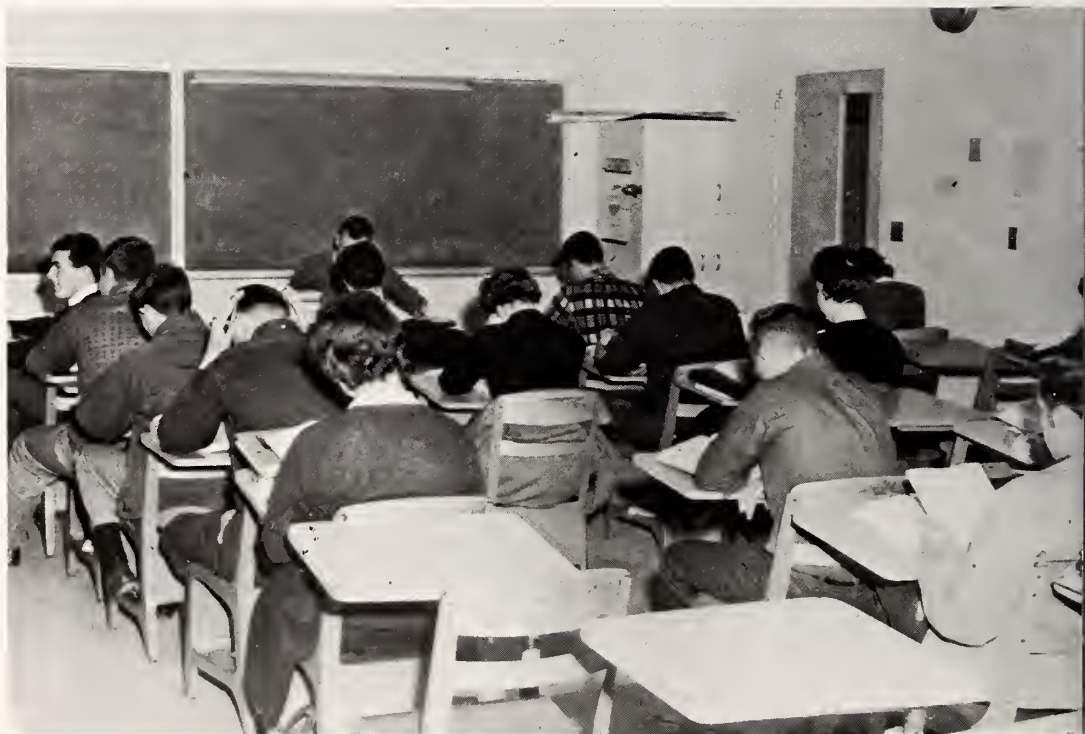

SOCIAL STUDIES

Mr. Boykin explains the world situation to his students. (It happened right here.)

WE FACE MANY WORLD PROBLEMS

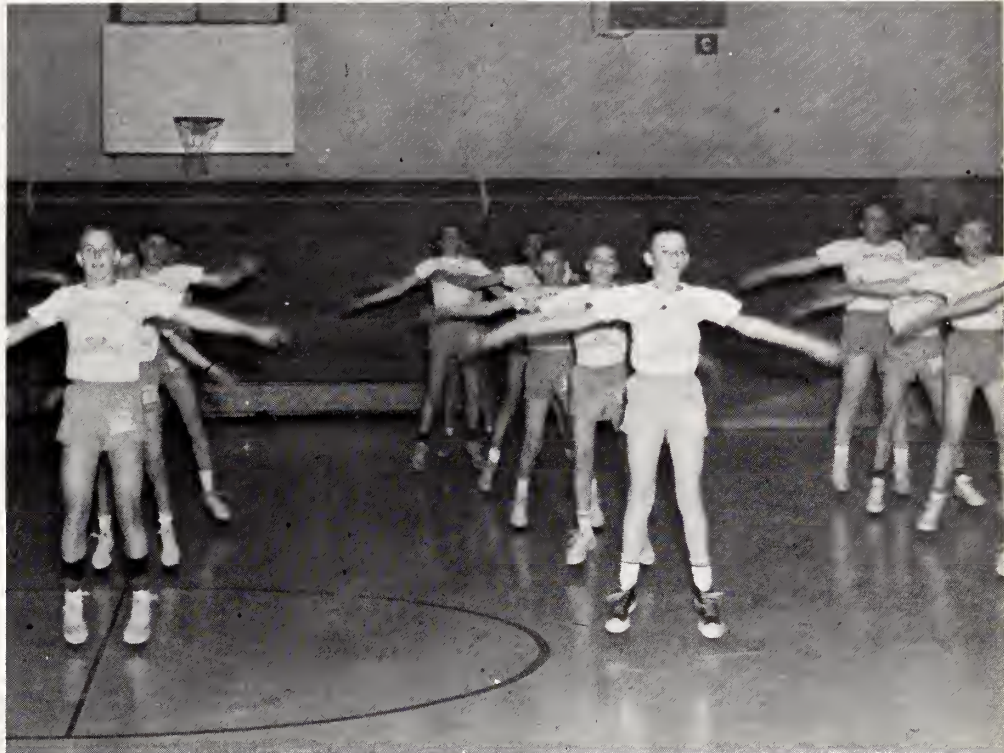

During the year the Social Studies Department has completed many projects which have improved their understanding of world affairs.

This seems to be a busy day in the Social Studies department. Why is Mr. Atkinson hiding?

PHYSICAL EDUCATION

Mr. Williams' P.E. classes take many drill exercises during class periods. He also has a class of advanced P.E. that is utilized by boys in the upper classes.

Classwork can be fun. So it seems.

EXERCISE BUILDS STRONG BODIES

Mrs. Gillikin's P.E. girls have participated in various dances as well as different games.

Mrs. Gillikin's physical education class takes daily exercise.

MUSIC DEPARTMENT

HARMONY IS THE KEY NOTE

The Charles B. Aycock band spends many hours of hard work in order to entertain us. Under the direction of Mr. Thigpen this has been a very successful year. At the end of first semester the members received new uniforms. The uniforms were purchased by the "Aycock Booster's Club."

The chorus has made many public appearances this year. Each has been rewarding.

COMMERCIAL DEPARTMENT

Notehand is a new course that has been introduced in our commercial department this year. The "stick" is not always necessary.

Kenneth Smith and Jimmy King are engulfed in Mr. Thompson's conversation.

ALL KEYS ARE NOT MUSICAL

Mr. Edward's fifth period makes every minute count, especially Johnny and his eraser.

AGRICULTURE DEPARTMENT

FARMERS LEARN BY DOING

Mr. Ballance's boys apply the knowledge of books with that of practical knowledge.

The boys in Mr. Hargrove's class enjoy the machinery in the shop. Could it be that they are giving Mr. Maples a lesson?

Mr. Grimes and his woodwork classes enjoy their varied activities.

HOME ECONOMICS

Mrs. Jackson's girls work hard to meet deadline.

GIRLS LEARN USEFUL ARTS

Sixth period girls gaze upon completed work.

Mrs. Scott's girls have leisure time after the Fashion Show.

JOURNALISM CLASS PUBLISHING THE EDUCATOR

Mr. Roberts discusses "putting the paper to bed."

During the current year the Journalism class has been very successful in publishing our school paper. The paper appears once a month in conjunction with the Goldsboro *News Argus*.

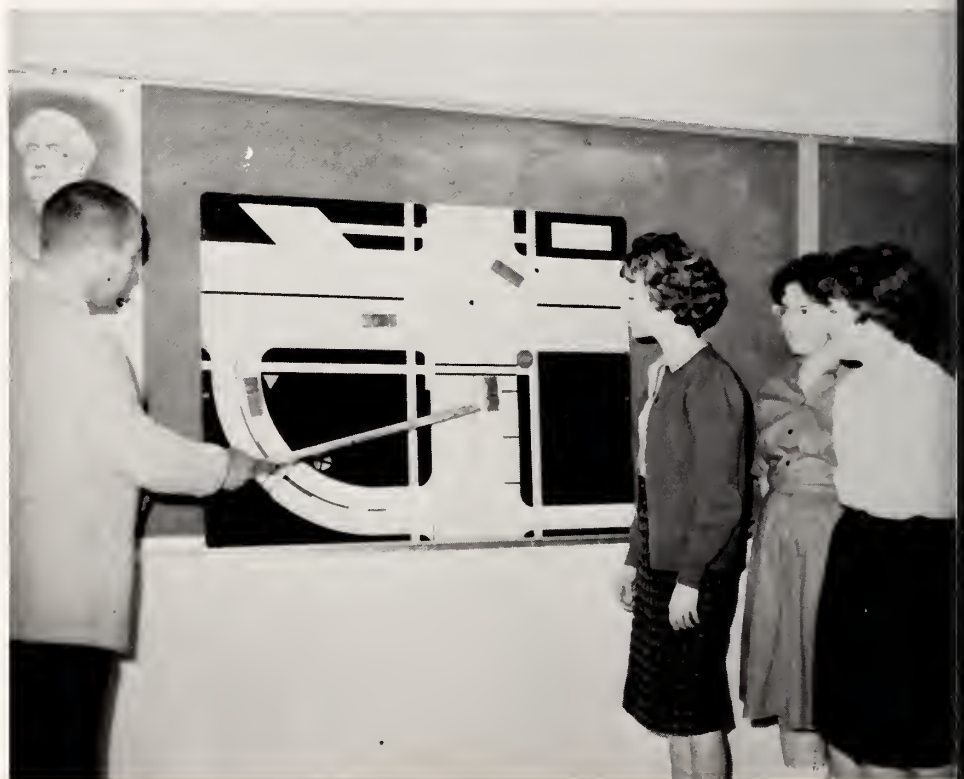

Most of the Journalism students participate in compiling the yearbook. The class was fortunate this year in the fact that they attended a convention in New York. They were accompanied on this trip by the Goldsboro class.

TRAINEES TODAY, DRIVERS TOMORROW

Driver's Training has proved helpful to many students in our school in the past two years.

Many bus drivers participate in this program before earning a bus license.

This program encourages many safety and courteous gestures for the students.

Mr. Mason describes a diagram to some of his students.

CLASSES

SENIORS ARE IMPORTANT

Senior girls win championship. Joyce brings up the rear while Alma Linda goes for the ball.

Senior boys learn about atomic energy. Benton takes part in the program while Cecil, Harry and Norman look on.

Seniors are among students winning awards.

Can you imagine Anna in "Bolts and Nuts?"
